We, the undersigned registered voters of the Town of Kennebunk, hereby request that that the Board of Selectmen place the following question on the warrant for the General Election of November 8, 2016.

#2

**“Do you favor the Town of Kennebunk maintaining and improving the existing conditions along the Mousam River, in particular, mill pond areas and water levels sufficient to allow the continuation of existing recreational activities, by keeping the Dane Perkins, Twine Mill, and Kesslen Dams in place, whether or not said dams continue to generate hydropower?”**

We, the undersigned registered voters of the Town of Kennebunk, hereby request that that the Board of Selectmen place the following question on the warrant for the General Election of November 8, 2016.

~~#~~ 3

“Do you want the opportunity to vote on any, and/or all of the following questions before the Trustees of the Kennebunk Light and Power District make a final decision on them: whether the Dane Perkins Dam, Twine Mill Dam, and/or Kesslen Dam should continue to generate hydropower, remain in place, and/or be removed?”
